Pathways Programs to University in 2017

There are many different ways to get to the same destination, and that applies to university too. Sometimes students do not quite meet the entry criteria to go straight into a university course – maybe their ATAR was not high enough, or they did not attain the minimum study score in a prerequisite subject. The encouraging thing is that many universities have recommended pathway courses to degrees they offer. Below are some of these pathway schemes:

➤ ACUcom at the Australian Catholic University

ACUcom courses are suited to students who –

✓ Do not get the required ATAR to go straight into their chosen bachelor degree
✓ Want to use the TAFE to university pathway to a bachelor degree

Some of the pathway courses ACUcom offers domestic school leavers include:

Diploma of Early Childhood & Education Care – (Pathway to Bachelor of Education of Early Childhood)
Certificate IV in Educational Support – (Pathway to Bachelor of Education)
