News or contact me, Mrs Susannah Ciardulli, via email susannah.ciardulli@yvg.vic.edu.au

To register for the Inside Monash Seminars visit www.monash.edu/inside-monash

For more Open Day information please see the list at the end of this newsletter.

News from Monash University

➤ MADA Design Workshops

During the September school holidays, Monash Art Design & Architecture (MADA)
will be running a few workshops for Year 11 and 12 students who intend applying for
courses that require folios or pre-selection tasks. Examples of such courses are
architecture, visual arts, communication design, etc. These workshops are designed
to assist students in working on their folio in one of the MADA studios, gain some
insider tips on the process, and spend some one-on-one time with the MADA
lecturers. Students can even take part in a practice interview.

Students can choose one of the following four workshops: Fine Art / Visual Arts OR
Communication Design OR Industrial Design OR Interior Architecture running on
Monday 26 and Tuesday 27 September, from 9.15am – 5.00pm at a cost of $150 per
person.
Students considering studying Architecture might like to attend a one-day workshop on Tuesday 27 September, from 9.15am – 4.30pm at a cost of $75 and discuss strategies for tackling the pre-selection activity.

**Book for any of these workshops at MADA Design Workshops**

- **Pathways to Education, Science, Business and Nursing**

  The following pathway courses allow domestic students who may not reach the required ATAR or meet the prerequisites, to gain entry into Monash:
  
  - **Diploma of Tertiary Studies (DoTS)**
  - **Diploma of Higher Education (DoHE)**

  These courses are both equivalent to the first year of a university undergraduate degree and allow students to transition to the second year of their destination degree. Applications can be made through VTAC and students will be required to submit a **Monash University Supplementary Information form** by 31 December 2016 if they wish to apply for one of the pathway programs. This form is the student’s opportunity to outline their motivation to study, career goals and work experience.

- **Femmes in STEM**

  *An event for girls who heart science!*

  Hosted by the Faculty of Pharmacy and Pharmacology, the inaugural **Femmes in STEM** event allows girls in Years 10 -12 to meet and be inspired by women changing the world through science. The event is for girls to learn more about a future career
in Pharmacy and Pharmaceutical Sciences. The students will hear about possible career paths, and engage with some of the big scientific challenges of the future.

**Date:** Friday 23 September 2016  
**Time:** 11.00am – 2.30pm  
**Venue:** Cossar Hall, Monash Parkville

Registrations have opened, and students are invited to visit Femmes in STEM to find out more, and to register.

- **New Business/International Business**

  The Monash city based Bachelor of International Business can now be combined as a double degree with the Bachelor of Business, which means students have the opportunity to complete two undergraduate degrees in three years.

  Students can combine their International Business degree with a Bachelor of Business and major in one of the following:
  - Accounting
  - Banking and finance
  - Business law
  - Business management

  A major in the following requires four years of study:
  - Statistics
  - Economics
  - Business strategy

  Find out more at Business/International Business

---

**Bond Now App**

*Bond Now* is a tool that allows prospective students to explore the campus and facilities of Bond University from anywhere in the world. Unlike a standard walk-through or campus map, the tour is 360 degrees, so students can fully immerse themselves in the environment and feel as though they are actually on campus. When demonstrating *Bond Now* the university wants the user to be able to explore the campus according to their own interests. The menu allows users two options: students can choose to select and enter each location individually, or they can choose the campus tour function. By selecting the campus tour button in the top left of the menu users will be shown 10 seconds of every location included in the application.

The *Bond Now* application is currently available for download to Apple and Android phones on the App Store and Google Play Store. Alternatively, students can use their desktop computers - Bond Now on Desktop.
News from RMIT University

- **New Bachelor of Business (Financial Planning)/Bachelor of Business (Accountancy)**

RMIT’s double degree is believed to be the only one in Victoria that combines financial planning and accounting to develop the knowledge and capabilities to provide business, finance and wealth advice to individual. While developing specialist knowledge necessary to operate successfully in contemporary business and multidisciplinary environments, the program prepares students to provide holistic and integrated business, financial and wealth advice to the highest level of ethical and professional standards.

Graduates of this program will be a **new type of advisory services professional** who can provide **business, financial and wealth advice** on complex financial products and situations for a diverse range of clients. The specialised studies in **accounting, financial planning and wealth management** will introduce students to the regulatory and global influences relevant to the financial services industry, and develop their understanding of **accounting, financial planning, financial products, risk management and investment strategies** that are essential to providing financial and accounting services to clients. In addition, students will have the option to undertake a six month internship to apply their technical knowledge and analytical skills.

Current Year 12 students should have the following VCE prerequisites: Units 3 and 4 - a study score of at least 25 in any English (except EAL) or at least 30 in English (EAL), and expect to attain an ATAR of 75 or more.

**Find out more at** Bachelor of Business (Financial Planning)/Bachelor of Business (Accountancy)

- **Science in the City (Lab Tour)**

Students and parents are invited to visit RMIT’s state-of-the-art learning laboratories to learn more about the programs on offer, and the research and training facilities available. Students will also find out more about the wide range of single and double degree science programs available at the city campus including: **biology, biotechnology, chemistry, environmental science, food science, nanotechnology and physics**.

**Date:** Monday 19 September 2016  
**Time:** 11.00am – 2.00pm  
**Venue:** Building 3, Level 1, Applied Sciences Reception, RMIT City campus

This is a **free** event but registration are important. Register at Science in the City (Lab Tour)
Outdoor & Environmental Education Holiday Program

Love the outdoors? Join us for the experience of a lifetime! The Department of Outdoor and Environmental Education at La Trobe University is hosting a 5-day trip for Year 10–12 students who are interested in Outdoor and Environmental Education. Students will have the opportunity to meet university students and other secondary students with similar interests. Students can select from two camps:

- Canoeing on the Murray River
- OR
- Bushwalking or climbing at Kooyoora State Park

The program runs for 5 days in the September school holidays, Monday 26 – Friday 30 September 2016. The cost per student is $100 and includes food and most equipment. The trips will begin and end in Bendigo at La Trobe University campus. To find out more, or to complete an Expression of Interest form, visit Outdoor & Environmental Education Holiday Program

APS Psychology Careers Seminar

The Melbourne branch of the Australian Psychological Society (APS) is hosting a free careers seminar for aspiring psychologists. The purpose of the event is to offer students an insight into a number of specialist areas of psychological work.

Date: Wednesday 24 August 2016
Time: 6.00pm – 9.00pm
Venue: Cathedral Hall, Australian Catholic University, 20 Brunswick St. Fitzroy

Any queries can be made to melbapsstudents@gmail.com

Footscray City Films – Open Day

Footscray City Films is an independent tertiary institution providing courses which vary from one to four years Screen and Media in Certificate 1V, Diploma and Advanced Diploma of Screen and Media. Students keen on wanting to make short films, music videos and documentaries, might like to attend the upcoming Open Day and to learn more!

Date: Sunday 21 August 2016
Time: 1.00pm – 4.00pm
Venue: Footscray City College, Kinnear Street in Footscray

To find out more visit Footscray City Films
Monash Nutrition and Dietetics Society’s Annual Nutrition Seminar
Curious about career opportunities in the world of nutrition and dietetics? Looking for some career advice from professionals working in the field? Ready to network and be inspired about all that you could do? Then come along to Monash Nutrition and Dietetics Society’s Seminar Night!

WHERE: HS Lecture Theatre, Monash University, Clayton Campus
WHEN: Tuesday 23rd August, 6-9pm
COST: $10 MNDS members, $15 non-members; includes refreshments
TICKETS: https://www.trybooking.com/217963

Career as a Paramedic
Working as an ambulance paramedic means that no two days are ever the same. What a paramedic does can be as varied as restarting a patient’s heart down to helping solve social welfare issues. Ambulance paramedics are called when people feel they have no other options and are suffering what feels like an emergency to them. An interesting fact to remember when applying to become a paramedic is that the majority of the workload is not lights and sirens driving to save a patient’s life. This job is more about helping people in their time of need as opposed to being a hero. Visit Ambulance Victoria - Types of Paramedics to find out more!

The following Victorian universities offer Paramedicine courses:
